Kind reference is invited to the original recommendation of the DSP on which the proposal was sanctioned and subsequently continued. Now almost all the vehicles have been returned to their respective Depts and the two lorries used as fire-fighters and belonging to the PWD have since been ordered to be returned to the PWD. Since then only four vehicles only for ARP Now. It is not clear as to why a full time Forman on Rs 100/- is considered Necessary for the duration of the War. Submitted for perusal and orders.

SIR,

Continuance of the services of the Foreman (Mr.Plunkett) for the duration of the War

I have the honour to invite reference to Government Order No.1550-52/W., dated 9th September 1942, sanctioning the continuance of the service of Foreman Mr.Plunkett up to 30th June 1943.

While sending consolidated proposals regarding the reduction in the A.R.P.Establishment (please vide this office letter No.AC.1858/42-43, dated 12th May 1943) it was proposed that this post may be retrenched with effect from 1st June 1943. But on reconsideration it was found that the services of this foreman were necessary for the maintenance of the A.R.P.vehicles as well as the Trailer pumps and vehicles of the Fire Brigade. The services of Mr.Plunkett were therefore continued up to the end of June 1943.

The period of sanction of his services expired from 1st July 1943. As the continuance of his services is necessary for the reasons noted above, I request that sanction of Government may kindly be conveyed for the extension of his services for the duration of the War. The expenditure will be met from the grants for A.R.P.measures under the head "32 B - Expenditure connected with the War 1939 - 6 A.R.P.measures (i) Police Department - Establishment".

I have the honour to be,
Sir,
Your most obedient servant,
